

Disclaimer:

Please note that the impact of Covid-19, together with the related policy announcements of the UK government concerning mortgage payment holidays, have resulted in the Mortgage Administrator receiving unprecedented call volumes requesting payment holidays or other payment arrangements. Whilst the Mortgage Administrator is processing these requests, certain fields in the investor report and underlying source data concerning arrears, contractual monthly instalments and other fields derived from these, should be considered interim data and neither us nor the Mortgage Administrator are able to represent that it is accurate, complete or error free. To the extent any updates need to be made to the data tape or associated source data after delivery of the investor report to correctly account for payment holidays or other payment arrangements extended to borrowers, the Cash/Bond Administrator will update the investor report and reissue a revised version at the appropriate time. Any revised investor report issued will supersede the prior version in all material respects.
